INSPIRATIONAL
Bonds

Malika's unwavering strength inspires Niharika, whose entrepreneurial spirit lights the way for young Aadya, proving that through mentorship and empowerment, every woman can achieve greatness.

founder's desk

“E

mpowered by Women, Inspired by Generations

Artistifi is a unique luxury gifting company founded by visionary sisters, Niharika and Malika. Their story transcends creating exquisite gifts; it's a testament to the power of women and the boundless potential that exists at any age.

A Shared Dream, a Nurturing Bond

Niharika, a trailblazer who embarked on her entrepreneurial journey at 25, and Malika, her equally driven sister, joined forces to revolutionize the gifting industry. Their vision was ignited by an unexpected source of inspiration – Aadya, a precocious 9-year-old with a keen eye for trends. Aadya's youthful enthusiasm became the cornerstone of their philosophy: age is just a number.

Women Empowering Women

Niharika is a passionate advocate for women's empowerment. Through Artistifi, she fosters a culture that celebrates female leadership and creativity. Beyond the company, she extends this mission by providing skill development workshops for underprivileged girls. These workshops equip them with the knowledge and tools to create handcrafted hampers, fostering not only financial independence but also a sense of accomplishment and self-belief.

"Empowering women isn't just about breaking barriers; it's about lighting the path for future generations to dream bigger, reach higher, and achieve more than they ever imagined."

Building the Future, One Gift at a Time

Artistifi's team embodies this philosophy. While Niharika spearheads the company's mission, the magic lies in their collaborative spirit. Malika's expertise and Aadya's trendsetting insights combine to create truly unforgettable gifting experiences.

A Legacy in the Making

Artistifi's story is one that continues to unfold. As they redefine luxury gifting, Niharika and her team strive to inspire a new generation of entrepreneurs, particularly young women, to chase their dreams and defy limitations.

"At Artistifi

The Creative Design Process

Client

Collaborate with clients to understand their vision and needs for gifts and events. Brainstorm unique concepts that reflect their style and occasion.

Sketch out Ideas

We create different concepts and sketch out as many ideas as possible, including theme, decor, and logistics.

Selection of Vendors

Choose high-quality, personalized items for gifts and source the best vendors, venues, and materials for the event.

Create Variations of Concepts

Carefully assemble and prepare the gifts, ensuring every detail is perfect. For events, manage setup and coordination, ensuring all elements come together seamlessly.

Delivery & Management

Ensure timely and secure delivery of gifts. Oversee the event in real-time, handling any issues that arise and ensuring a smooth experience for attendees.

Feedback & Reflection

Collect feedback from clients and participants to assess satisfaction. Analyze the results to refine and enhance future gifting and event planning processes.
